Industrial Cooperation Days in Defense & Aerospace (ICDDA)

6th Industrial Cooperation Days in Defense and Aerospace (ICDDA) supported by PRESIDENCY OF THE REPUBLIC OF TÜRKİYE, DEFENCE INDUSTRY AGENCY and organized by OSSA DEFENSE & AVIATION CLUSTER and VIMEET -the world leader in targeted lead generation, bringing to the community more than 700,000 leads every year TURKEY as the organization partner and with the contributions of SUPREME TECHNOCRAFT AVIATION SERVICES and will take place in ATO Congressium Exhibition Center, Ankara between April 17-19, 2024.

ICDDA is an outstanding supply chain oriented business event for contractors and suppliers to meet through pre-scheduled business meetings to discuss partnerships and/or business opportunities.

ICDDA offers defense and aerospace companies the opportunity to identify and request meetings with relevant prospects. ICDDA provides pre-scheduled meetings for all the attendees based on their own choices.

ICDDA offers a must-attend-conferences program. These are excellent opportunities for professionals to share experiences and better comprehend the market's scientific, industrial, technical and commercial evolution.

4 reasons to attend ICDDA 2024

1. **Introduce your projects and exchange with key players** in defence and aerospace, government decision-makers, international companies, institutions, startups, investors...
2. **Develop your network with the entire value chain** by meeting prospects that you will not find anywhere else: 70% of the targeted decision-makers never go to trade shows.
3. **Discover the latest innovations in the industry** and stay abreast of new market developments and regulations.
4. **Benefit from highly targeted business meetings**, thanks to an AI that will always suggest you as best as you expect

Why attend ICDDA 2024 ?

OEMs and contractors will meet suppliers offering special skills and services for civil and defense applications. These diversified programs reveal business and investment opportunities in the country.

Save time and meet the key players in just 3 days!
